BACK PAINTED GLASS TABLES

# MODERN SLEEK VIBRANT

Fulbright & Company has specialized in manufacturing finer quality office furnishings for over 25 years, working with some of the most prominent design firms in the world. Fulbright back painted glass conference tables are the newest addition to our extensive line of custom wood, stone, metal, and glass conference tables.

# BACK PAINTED GLASS TABLES

Fulbright back painted glass conference tables are available in many standard sizes and shapes. Custom sizes, shapes, and colors can be generated to fit your precise design needs. The tables are offered with our wide-range line of wood, metal, and laminate bases. Power and data may be added to your table from our extensive selection of power, voice, and data products as well.

Visit the website of our parent company to see our unique custom capabilities at [fulbrightco.com](http://fulbrightco.com)
